

**ACHARYA NARENDRA DEV COLLEGE  
(UNIVERSITY OF DELHI)**

**REQUEST FOR PROPOSAL**

Acharya Narendra Dev College invites proposals from prospective authorized vendors for supplying, installation, testing and commissioning along with operation and maintenance of roof top solar panels on RESCO modal basis with overall capacity of 200-300 KWp for a period of 25 years.

The vendor shall be responsible to provide end-to end turn-key project and the College shall only be liable to provide the designated roop-top space for the solar panels. The College shall not be liable in terms of any financial, legal or operational obligations whatsoever.

The interested vendors are requested to send their proposals to the undersigned within 15 days of issue of the REP notice. A suitable date for presentation of the project proposal shall be communicated to the vendors in due course.

Officiating Principal
