

ACHARYA NARENDRA DEV COLLEGE

(University of Delhi)

After discussion with the members of the Attendance Committee, it is suggested that all the IIIrd sem students should be given the admit cards irrespective of attendance due to change in curriculum of the course as the result of FYUP.

It is also suggested that Vth Semester students should also be given the admit cards irrespective of their attendance so that there is no mixing of three year and four year under graduate programme students.

For Ist Semester students:

2. Students with attendance between 40% and 66.66% may be issued admit card on submission of undertaking that he/she will compensate for the shortage in attendance in the Second Semester.
3. Students with attendance less than 40% will not be issued admit card except under extraordinary conditions decided by the Principal.
