<u>MANUAL NO. 01</u> <u>PARTICULARS OF ORGANIZATION, FUNCTIONS AND DUTIES</u> [Section 4(1)(b)(i)

1. Aims and Objectives of the organization :

Acharya Narendra Dev College has a unique distinction of being the only college that is primarily for science. It is named after the great educationist and reformist of Modern India; Acharya Narendra Dev. Over the years, it has acquired repute for the meritorious profile of its student population, their sense of discipline and social responsibility.

2. Mission/Vision:

Acharya Narendra Dev College endeavors to nurture students with a keen analytical and scientific bent of mind with sensitivity to their responsibilities and human values so that they are amongst the best citizens of India.

3. Brief History and background for its establishment:

It was in early 1991 that Mr. Chandra Shekhar, the then Prime Minister of India, announced the establishment of Acharya Narendra Dev College. As a new constituent college of the University of Delhi established by Delhi Administration, it generated a great deal of enthusiasm amongst the localities. Then, starting out with an interim allotment of four rooms in a SPS structure in R. K. Puram Sector 5 School, the college enrolled its first batch of students and began its teaching programs. In August 1992, the college moved to its current premises in Govindpuri, Kalkaji, which had just been vacated by Shaheed Bhagat Singh College. Despite being housed in an old school building, the college very soon established its reputation as a premier science college of the University of Delhi. Building the institution has been a labor of love, be it the Principals, the young faculty and support staff and, most importantly, the students who have passed through the portals of the institution.

Hi Sweety, this was the mail dated 7th January 2022 when they allotted us the students. So this is the first proof that we have been working as IGNOU Learning support centre (LSC-07191) since January 2022. The previous mail I sent to you can also work as proof in which they confessed that they allotted students to us in January 2022.
