

# Acharya Narendra Dev College

*Beyond the Classroom ...*

Acharya Narendra Deva (1889 – 1956), a veteran of India's freedom struggle, a visionary educationist and leader in social reforms was the embodiment of multifaceted greatness. He was educated in Allahabad and Banaras. After the completion of his graduation (B.A.) and post-graduation (M.A.), he achieved his L.L.B degree in 1915. But turning his back on a promising legal career and comfort, he plunged into the National Movement. He was deeply influenced by the radical nationalism of Bal Gangadhar Tilak and Aurobindo Ghosh. Acharya Narendra Deva had a rare combination of a great political acumen and true intellectual prowess. Being a scholar at heart, he continued to enrich his intellect along with his tireless struggle for the cause of India's freedom. He joined Kashi Vidyapith where he combined his academic pursuits with active politics. He was also the Vice-Chancellor of Lucknow and Banaras Hindu University.

Acharya Narendra Deva was a believer of the Marxist philosophy and he zealously worked for the preservation of human dignity and a revolutionary transformation of society on moral and humanistic grounds. He was the founder of the Congress Socialist Party and presided over the first Congress Socialist Conference at Patna in 1934, and thereafter he devoted his life to the cause of Socialism. Acharya Narendra Deva was a profound student of Buddhist philosophy and to study Buddhist literature, he learnt French, German and Pali. His books on Buddhism bear testimony to his scholarship and insight into the Buddha's way of life. Throughout his life, Narendra Deva was deeply interested in education and regarded it as the principal means for a political, social and economic revolution in the country. He believed that in the earlier stages, education should be integrated with useful activity and therefore welcomed the concept of Basic Education propounded by Mahatma Gandhi. He was an atheist and rejected the glorification of God. Acharya Ji's patriotism, political involvements, scientific outlook, nobility of spirit, deep rooted humanism, compassion and scholarship make him one of the most respected blend of versatility the country has ever seen.

## University of Delhi Admission Schedule 2014-15

Issue & Receipt of Registration Forms at Registration Centers	2 <sup>nd</sup> June (Monday) to 16 <sup>th</sup> June, 2014 (Monday)	9 AM to 1 PM excluding Sundays
Notification of First Admission List	24 <sup>th</sup> June, 2014 (Tuesday)	9 AM
Admission and Payment of Fees	24 <sup>th</sup> June (Tuesday) to 26 <sup>th</sup> June, 2014 (Thursday)	Up to 1 PM
Notification of Second Admission List	27 <sup>th</sup> June, 2014 (Friday)	9 AM
Admission and Payment of Fees	27 <sup>th</sup> June (Friday) to 30 <sup>th</sup> June, 2014 (Monday)	Up to 1 PM
Notification of Third Admission List	1 <sup>st</sup> July, 2014 (Tuesday)	9 AM
Admission and Payment of Fees	1 <sup>st</sup> July (Tuesday) to 3 <sup>rd</sup> July, 2014 (Thursday)	Up to 1 PM
Notification of Fourth Admission List	4 <sup>th</sup> July, 2014 (Friday)	9 AM
Admission and Payment of Fees	4 <sup>th</sup> July (Friday) to 7 <sup>th</sup> July, 2014 (Monday)	Up to 1 PM
Notification of Fifth Admission List	8 <sup>th</sup> July, 2014 (Tuesday)	9 AM
Admission and Payment of Fees	8 <sup>th</sup> July (Tuesday) to 10 <sup>th</sup> July, 2014 (Thursday)	Up to 1 PM
Notification of Sixth Admission List	11 <sup>th</sup> July, 2014 (Friday)	9 AM
Admission and Payment of Fees	11 <sup>th</sup> July (Friday) to 12 <sup>th</sup> July, 2014 (Saturday)	Up to 1 PM
Notification of Seventh Admission List	14 <sup>th</sup> July, 2014 (Monday)	9 AM
Admission and Payment of Fees	14 <sup>th</sup> July (Monday) to 15 <sup>th</sup> July, 2014 (Tuesday)	Up to 1 PM
Notification of Eighth Admission List	16 <sup>th</sup> July, 2014 (Wednesday)	9 AM
Admission and Payment of Fees	16 <sup>th</sup> July (Wednesday) to 17 <sup>th</sup> July, 2014 (Thursday)	Up to 1 PM
Notification of Ninth Admission List	18 <sup>th</sup> July, 2014 (Friday)	9 AM
Admission and Payment of Fees	18 <sup>th</sup> July (Friday) to 19 <sup>th</sup> July, 2014 (Saturday)	Up to 1 PM
Notification of Tenth Admission List	21 <sup>st</sup> July, 2014 (Monday)	9 AM
Admission and Payment of Fees	21 <sup>st</sup> July (Monday) to 22 <sup>nd</sup> July, 2014 (Tuesday)	Up to 1 PM

*Further lists, if required, will be notified later.*

### Orientation Programme: 21st July, 2014.

An orientation programme will be organised to welcome the fresh batch of students. The aim of the programme is to familiarise the students with the College, the FYUP, faculty, rules and regulations and details about various programmes and facilities available. All freshers are expected to attend the orientation programme on 21st July, 2014.

**Classes will commence from 21st July, 2014 (Monday) from 8.45 A.M.**

## Academic Calendar (University of Delhi) 2014 – 2015

### Semester I/III/V/VII

1.	Classes Begin	21 <sup>st</sup> July, 2014 (Monday)
2.	Field Work / Project Work / Excursion / Co-Curricular Activities	7 <sup>th</sup> October, 2014 (Tuesday) to 11 <sup>th</sup> October, 2014 (Saturday)
3.	Classes begin after Field Work / Project Work / Excursion / Co-Curricular Activities	13 <sup>th</sup> October, 2014 (Monday)
4.	Dispersal of Classes, Preparation leave and Practical Examinations begin	14 <sup>th</sup> November, 2014 (Friday)
5.	Theory Examinations begin	24 <sup>th</sup> November, 2014 (Monday)
6.	Winter Break	20 <sup>th</sup> December, 2014 (Saturday) to 4 <sup>th</sup> January, 2015 (Sunday)

### Semester II/IV/VI/VIII

1.	Classes Begin	5 <sup>th</sup> January, 2015 (Monday)
2.	Field Work / Project Work / Excursion / Co-Curricular Activities	16 <sup>th</sup> March, 2015 (Monday) to 21 <sup>st</sup> March, 2015 (Saturday)
3.	Classes begin after Field Work / Project Work / Excursion / Co-Curricular Activities	23 <sup>rd</sup> March, 2015 (Monday)
4.	Dispersal of Classes, Preparation leave and Practical Examinations begin	25 <sup>th</sup> April, 2015 (Saturday)
5.	Theory Examinations begin	7 <sup>th</sup> May, 2015 (Thursday)
6.	Summer Break	23 <sup>rd</sup> May, 2015 (Saturday) to 19 <sup>th</sup> July, 2015 (Sunday)

## College Calendar 2014 – 2015

Event	Dates
Orientation Day	21 <sup>st</sup> July, 2014 (Monday)
Departmental Freshers' Day	August, 2014
Book Exhibition	3 <sup>rd</sup> / 4 <sup>th</sup> week of August, 2014
Students' Council Election	Same day as DUSU elections
Society Functions	September 2014/ February 2015
Acharya Narendra Dev Memorial Lecture	31 <sup>st</sup> October, 2014 (Friday)
Annual Cultural Festival (ACCENTURE)	End of January 2015
Sports Week	2 <sup>nd</sup> February (Monday) to 10 <sup>th</sup> February (Tuesday) 2015.
Annual Theatre Production	5 <sup>th</sup> & 6 <sup>th</sup> February, 2015 (Thursday, Friday)
Sports Day	February, 2015.
Departmental Excursions (for II Year students)	Mid-February to mid-March 2015.
Annual Day	First week of April, 2015
Departmental Farewells	April, 2015

\* Antardhvani - Fixed by University of Delhi in February – 2nd /3rd week.

# From the Principal's Desk

## FROM THE PRINCIPAL'S DESK

Another year, another June, another new session – young boys and girls with aspirations writ on their faces and gleams in their eyes as they enter the portals of higher education. At ANDC, we welcome you with open arms – Come, join us in our march towards empowerment, skill development, achievement, sharing and caring, as we prepare you for an exciting future!

At Acharya Narendra Dev College we'll handhold you through the process of familiarization of the new. We'll explain, we'll answer, we'll discuss, we'll clarify, and we'll do everything to make you confident of being able to handle the change from school to college.

At ANDC, we believe that we are here to make a difference. We ensure students get opportunities to explore and learn, to experience and recount, to discuss and debate, to play and act, to sing and dance, to film and record – in fact all the things that make a college vibrant! We thus, live up to our byline 'Beyond the college...'

We ensure space for students and faculty to do hands-on research through projects funded by various GOI departments, through projects under the IEDC of DST, through Innovative Projects of DU, and last but not the least, through ELITE Summer fellowships offered by the College. This experience of research helps in better PG admissions, improved placement and more importantly, it helps students in making informed decisions. For some students it also means a research paper at the UG level, with at least one child traveling to the US for a conference every year!

We were amply recognized for our efforts when we were awarded, in both 2013 and 2014, one of the three 'Good Practices Award' by the University of Delhi at 'Antardhvani - the Mega Inter-college festival'.

Name a college that has a Government of NCT of Delhi's 'Young Scientist Awardee', a member of the 'Youth Delegation to the Climate Conference at Copenhagen', a student representation at SAARC conference in Islamabad, four students who were part of the Open Source Drug Design' project of CSIR and several faculty members with 'distinguished teacher' awards to boot!

There are several other achievements that are not so stark, but are equally significant. Several students have gained confidence because of the theatre workshops; many who think it is their duty to serve – NSS is their forte, others who value nature and are part of Eco-club and yet others who think their place is on the playing field.

As you scan the pages that follow, you will see glimpses of the healthy traditions and practices in the college. You will learn about SAKSHAM and EXPLORE, about websites developed by students, about sharing and learning together, about democratic functioning, and last but not the least about students who are cared for!

If these are what you are looking for welcome to our family!

*Dr. Savithri Singh  
Principal*

# Moulding The Future

## MOULDING THE FUTURE CITIZEN @ ANDC

*'There are two educations. One should teach us how to make a living and the other how to live.'* - John Adams

At ANDC we believe in holistic development of students and have a culture of interactive teaching-learning process, which is not restricted to classrooms but go much beyond to impart both types of education to students. We teach them how to live in harmony with nature, society and self!

Give us a child and we give you a groomed citizen. Rest assured - at Acharya Narendra Dev College we'll hand-hold you through the process of familiarization of the unknown. We'll explain, we'll answer, we'll discuss, we'll clarify, and we'll do everything to make you confident of being able to handle the future. The byline that we use with the name of the College 'Beyond the Classroom...' says a lot about the College! It tells you what we believe in and what we practice!

Though a comparatively young college (established in 1991) Acharya Narendra Dev College has been able to carve a niche for itself and create an identity of its own. The College is recognized not only in Delhi but internationally due to the persistent efforts and diligence of the Principal, faculty and most importantly, its students. The limitations, mainly due to our location and lack of space within actually have turned into advantages. These have never dampened our spirits. They just give greater significance to our success stories.

- Since inception of the award in 2013, we have won the 'Award for Good Practices' of the University of Delhi both years running (2013 and 2014) among all colleges of the University.
- Our continuous work on 'Open Educational Resources' (OERs) was recognized far away at Berlin in 2011

– we were 'Highly Commended' in the OPAL Award for institutions' for Quality and Innovation through OERs.

- For its Advocacy work to promote 'Open Access' to educational content and its emphasis on use of proper licensing on educational materials on the web, ANDC was recognized as one of the Indian Affiliates of Creative Commons in May 2013.
- The College has a first in yet another field. We are home to an active Innovation & Entrepreneurship Development Centre (IEDC), a DST funded establishment, which promotes entrepreneurship culture among youth. ANDC-IEDC is the first in DU to establish an in-campus company – ANDY, owned and run by students.
- ANDC then went on to become the first College in DU to be awarded a Business Incubator from Ministry of Micro, Small and Medium Enterprise (MSME) – the Incubator will have funds enough to nurture the establishment of ten enterprises.

ANDC often admits students who are not among the toppers of their class, but our students when they finish are more often toppers in the University. It is the exposure and the skill set they acquire while at college that makes them identifiable. It enables them to be placed nationally and internationally with relative ease. There is, hence, no surprise that India Today group has identified us among the top 10 Science colleges in Delhi consecutively since 2009.

We assure you that your stay at ANDC will prove to be a life changing experience. We welcome you to ANDC and invite you to be part of an enthralling journey of learning, sharing, collaboration and sensitization.

# RESEARCH @ ANDC

Achieving quantum leaps in academics should necessarily involve active and continuous research. The college supplements its strong and effective base of teaching traditions with research. It has developed a robust research infrastructure through nine research labs generously funded via project grants from various governmental agencies like DST, UGC, DBT, MoEF and ICMR. These laboratories provide exposure to cutting edge technologies and nurtures curiosity in the young minds such that they are able to make informed decision while considering research as a possible career later in life. The ever-growing basket of research publications by teachers and students in reputed journals bears testimony of the quality of research activities in the college. The college has conducted projects worth over INR 3.5 crores over the last few years.

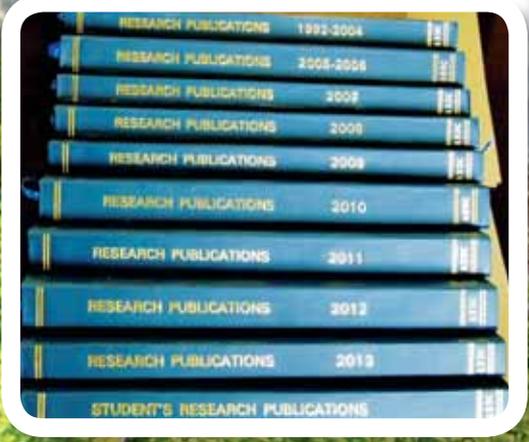

“ANDC’s participation in OSDD has been significant in several ways. Participation in OSDD enables the college to work on a real life translational science project aimed at discovering new drugs for tuberculosis. The Mtb genes cloned and expressed by ANDC students is now a part of the OSDD’s open access strain repository, accessible to other scientists. The Mur pathway is an important target of Mtb and OSDD scientists regularly interact with the ANDC faculty to review the progress. The commitment of the faculty and the support of the institutional leadership to this programme have been remarkable which contributed to its success.”

*Dr. Zakir Thomas  
Director, Open Source Drug Discovery (OSDD)  
CSIR, New Delhi*

Several Ph.D students registered directly with our faculty stand testimony to the quality of the teachers and their research. A student was awarded her Ph.D last year – she worked in the college lab throughout.

To promote a culture of research and motivate students to explore, the College has its self-funded ELITE (Education in Lively and Innovative Training Environment) scheme that runs through the summer break. ELITE provides students financial and infrastructural support along with mentoring, for undertaking projects. Through this scheme, the students may work not only in laboratories but could convert their society into their labs and work on real life problems. In addition, the yearlong, generously funded trans-disciplinary DU Innovation Projects have ingrained research as a necessary and active component of the academics in the college.

# SPIE Student Chapter

## SPIE STUDENT CHAPTER @ ANDC

The University of Delhi at ANDC SPIE (Society of Photo-Optical Instrumentation Engineers-USA) student chapter provides a unique opportunity to the students to become part of a large international organization. The SPIE chapter provides activity grants to hold workshops in area of Photonics. Under the aegis of SPIE students receive hands-on training, visit state-of-the-art laboratories and interact with subject experts and students in India and abroad. This training enables these students not only

to enhance their learning but also become mentors for schools in the conduct of science experiments.

Another 'high' for students is the provision for being awarded an Officer grant for one student to attend the International SPIE conference at San Diego, US every year. The student gets to present a research paper in front of an august audience from world-over. You can imagine what it does to the confidence levels! Over the years four students have availed this facility.

# NOVEL PEDAGOGY @ ANDC

The pedagogy used at the College is an iterative development process, which progresses in incremental stages. It ensures a continuous focus on academic rigor even while adopting novel techniques that involve input from theatre, film making, debating, audio-recording, discussion, photography etc. Project-based learning is the backbone of most of our teaching especially that of the foundation courses. The various novel articulations in the teaching-learning exercise include field and industrial trips to make education at ANDC an enriching and enjoyable experience.

The IT and multi-media enabled classrooms and the laptops issued to the students encourage self-learning particularly since the operating system is 'Open Source'. Teachers use a lot of multimedia materials in class; but pedagogically speaking, what the students bring to the table and contribute in class is equally important to us! It is important to dissolve the disconnect between what we teach and what transpires

around them – students need to acquire the ability to apply the learnt concepts to solve real-life problems. We also know that success in life also depends a lot on the skills you have or acquire. We provide ample opportunities for students to explore and learn, and improve the skill-set.

The quest for knowledge at ANDC is not only sourced internally at the college, but takes them far and wide, sometimes across nations through new modes. In order to take advantage of the best available educational training and resources, web-based courses are now increasingly utilized to supplement teaching.

The college conducted video conferencing course on Genomics, Proteomics and Bioethics which that was coordinated by Ohio State University (USA), Houston University (USA), Anna University, Chennai and Garvare College, Pune.

In order to facilitate the adoption of Open Source software in education, the new entrants to the college were provided training through a 8-day video conferencing workshop coordinated by Institute of Informatics and Communication, South Campus, DU.

# Entrepreneurship

## ENTREPRENEURSHIP OPPORTUNITIES @ ANDC

The present day society and modern work environments puts a lot of premium to interpersonal and communications skills. The college provides practical and innovative training to help students overcome their inhibitions and enable them to take advantage of emerging opportunities.

The Innovation & Entrepreneurship Development Centre (IEDC) established under the auspices of National Science and Technology Entrepreneurship Development Board (NSTEDB), Department of Science & Technology provides training, support and the wherewithal to take up entrepreneurship in a proactive and sustained manner. The Centre provides training through Entrepreneurship

Awareness Camps (EAC), Entrepreneurship Development Programs (EDP) and funding for Students' Innovation Projects.

A unique facility – the Entrepreneurship Lab is a nerve Centre for experimenting with entrepreneurs ideas and concepts. This initiative has already matured in the form of ANDY- an in-campus company that reflects the spirit and energy of ANDC's youth.

In recognition of these efforts, the Ministry of Micro, Small and Medium Enterprise (MSME) has provided a grant of Business Incubator (BI) to support commercialization of innovative ideas. ANDC is the exclusive recipient of this grant among the colleges of DU.

While the entrepreneurship initiatives are encouraging students to become job-creators, there is no dearth of opportunities in the very active Placements Cell of the college. Our Placement Officer was recently recognized for his stellar work by Wipro.

# Opening Up Education

## OPENING UP OF EDUCATION @ ANDC

The Open paradigm is a central feature in the life at ANDC. It refers to institutional practices and programmatic initiatives that broaden access to learning and training than traditionally available in a university system. Adoption of FOSS (Free and Open Source Software) in teaching & administration, creation and dissemination of

OERs (Open Educational Resources) which are acclaimed practices world-wide have found resonance here and continues to benefit its primary stakeholders - the content-creators, the faculty and the students, besides, of course, anyone with internet access.

14

A poster for an "EDU TEXI Expert Talk". The text "EDU TEXI" is at the top, with "FOR LEADERS IN HIGHER EDUCATION" underneath. Below that, "Expert Talk" is written in large, bold letters. To the right is a portrait of Dr. Savithri Singh. Below the portrait, her name and title are listed: "Dr. Savithri Singh, Principal, Acharya Narendra Dev College, University of Delhi, South Campus". At the bottom, a small line of text reads: "Dr. Savithri Singh, Principal, Acharya Narendra Dev College, Affiliate of Creative Commons in India and Vice-Chair of the WikiEducator International Community Council committed to building open educational resources (OERs) explains use of Creative Commons license."

The College is recognized as one of the three affiliates of Creative Commons (CC) in India and is also a recipient of the OPAL award (2011) for quality and innovation through OERs.

# EXPERIENCE AND LEARN @ANDC

The teaching-learning process is extremely dynamic and continuously evolving. To facilitate enhancement of knowledge base and adoption of modern development in all fields of academic endeavor, the college emphasizes on constant up-gradation of skills-sets. This is achieved through organization of various workshops, conferences, seminars, webinars, symposia etc. These cover various academic as well as pedagogic issues. Shared knowledge and collaborative learning can contribute much more than top-down lectures. Recognizing this, besides workshops by teachers for students, these have also been conducted by teachers for other teachers, students for other students and by students

for teachers! The college website would not be what it is if it were not for some excellent training by students.

We often call in experts when we identify an area that we want to explore. Such spaces provide an opportunity to the college community to interact with experts from diverse fields. In addition, it provides space for some novel hands-on learning not only for students but also for faculty and non-teaching staff. When the aim is to learn it does not matter who teaches. This paradigm was again reiterated recently through a three-day workshop on basic computer use, to train all non-teaching staff, by students.

# Theatre in Education @ ANDC

Our belief that theatre can be great equalizer and can make dramatic changes in an individual makes us conduct the ECPDT (Effective Communication and Personality Development through Theatre) course every year. The course is inspired by the vision of life-skills-based education of UNICEF and WHO. It encompasses dedicated training by mentors associated with National School of Drama. It seeks to empower students with self-belief, decision-making capabilities, ability for critical analysis and to think and express independently with confidence.

Dhwani - the theatre society is in sync with showcasing artistic talent and creative skills. Besides routine skits, street plays etc., it provides a platform for students to exhibit their acquired skill-set in the form of a mega annual theatre production each year. We have gained repute for putting up most professional of productions among the theatre circles.

# EMPOWERMENT @ ANDC

Only acceptance and respect for diversity can foster a healthy environment in society. We understand that each individual is unique, and recognize that we have diverse abilities. We also believe, somewhere, in the theory of multiple intelligences. Besides, diversity along the dimensions of gender, socio-economic status, physical abilities, religious beliefs, political beliefs, or other ideologies also marks our society. We believe in providing a milieu for exploration and understanding of these differences in a safe, positive, and nurturing environment, leading to a support and protection of the rich diversity, and by valuing individuals and groups, free from prejudice.

The Equal Opportunity Cell (EOC) of the college strives hard to ensure equity and equal opportunities for persons with disabilities (PwD) to ensure assimilation into the mainstream. The efforts of EOC have sensitized the entire college community towards people with the special abilities and needs. This has also resulted in inspiring a number of differently-abled students to come forward for para-sports – a field that our sports faculty member specializes in.

Sashakt is the college society geared towards empowering the girl-students through discussions, seminars and other

activities. It needs a concerted effort to encourage the girl-students to grow up to be independent, confident women, capable of taking their own decisions and speaking out against society-driven atrocities. That there is a greater need to educate the 'male' in society has to be recognized if we are to attempt to sensitize and eliminate deep-rooted social malice towards women.

Erstwhile known as Students Aid Fund, SAKSHAM (Student Aid for Knowledge, Success, Honour and Motivation) scheme ensures financial aid (often not only free-ships, but also monthly stipends and book-banks) for needy students for the entire duration of their study in the college. SAKSHAM has led to several success stories in the college!

Funded solely by the college, EXPLORE (Excursions for Peer Learning in an Open and Rejuvenating Environment), allows students to undertake short trips, educational tours or field trips accompanied by their classmates and faculty. These trips not only rejuvenate the students for renewed focus on studies but also provide them unique experiences which hitherto were not available to many students.

## SPORTS AND EXTRA-CURRICULAR ACTIVITIES @ ANDC

Bhide, Nizami Brothers, Rajan and Sajjan Mishra, Pandit Vishwa Mohan Bhatt, Ustad Mazhar Ali Khan and Ustad Jawaad Ali Khan, Ritesh and Rajneesh Mishra, Pandit Sanjeev Abhyankar, Aashish Khan and many others have performed in the College to motivate students towards our roots. In addition workshops for Indian traditional art forms like Madhubani painting and Kalamkari were organized. Movies of famous personalities like Satyajit Ray and Charlie Chaplin were also screened.

The annual fest 'Accenture' is an event to showcase the diverse talent of students and hone and polish their latent skills. Students get an opportunity to showcase their dance, singing, acting, painting, debating, and many other skills. These events also bring to the fore organizational skills and leadership qualities of the students.

The literary skills of the students are abundantly reflected in the annual magazine – Insight.

For the overall development of students the College promotes sports and extracurricular activities. Sports form an integral part of the wholesome education that ANDC strives to offer its stakeholders. The College has a Dronacharya Awardee as Sports instructor and under his guidance the students are achieving new targets in sports. The college has facilities for table tennis, chess, cricket, football, volleyball, basketball and athletics, with specialist coaches for some.

The College has an active SPICMACAY (Society for Promotion of Indian Classical Music and Culture Amongst Youth) unit that organizes performances by stalwarts of Indian classical music and culture. Many distinguished personalities like Ashwani

# Social Responsibilities

## SOCIAL RESPONSIBILITIES @ ANDC

The NSS unit at ANDC believes in facilitating students come face to face with realities of the social fabric, developing sensitivity and becoming responsibly humane. Some thrust areas that NSS caters to are organization of health checkup camps and awareness programmes on AIDS, Thalassemia, Smoking and Tobacco use besides organizing blood donation camps etc. Social awareness through 'SAHYOG' – the Diwali mela and contributing to the efforts of 'Goonj' also form part of the NSS activities.

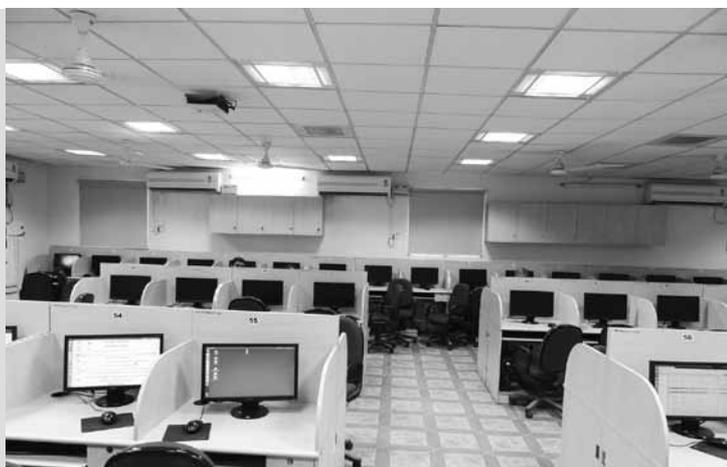

The Eco-club creates environment awareness programs using diverse formats to get the message across – posters, street plays, visits to environmentally sensitive areas, biodiversity parks, cleanliness drives etc. In most activities the NSS and Eco-club cooperate and function as one!

# INFRASTRUCTURE @ ANDC

The College has an ever-increasing built-up area, with well-equipped laboratories and an enviable library. We have amongst the best (if not the very best) laboratories for teaching and research amongst the colleges of the University. The College has excellent campus-wide Wi-Fi that is available 24 Hours at the speed of 100 Mbps.

This year besides four new classrooms, we add a new Seminar Hall, a new Block for Zoology Department with huge labs, and new computer laboratories for the FYUP courses. This is besides the new rooms for the Vice-Principal and the Bursar and additional rooms for the Administrative and Accounts Staff. We recently ensured sun and rain protected passage through the college.

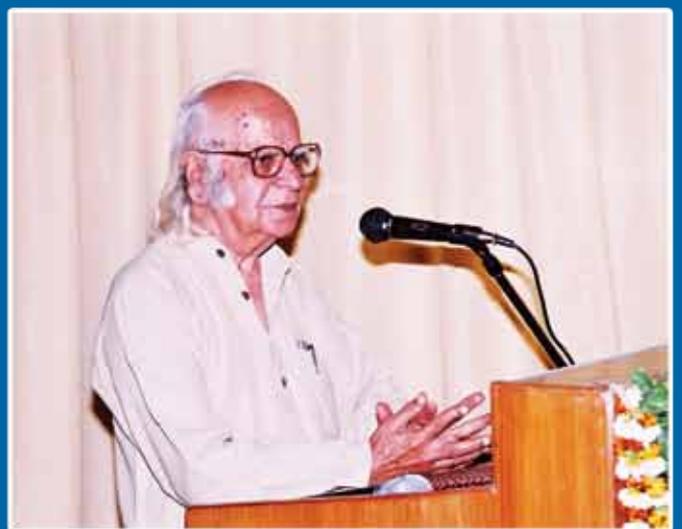

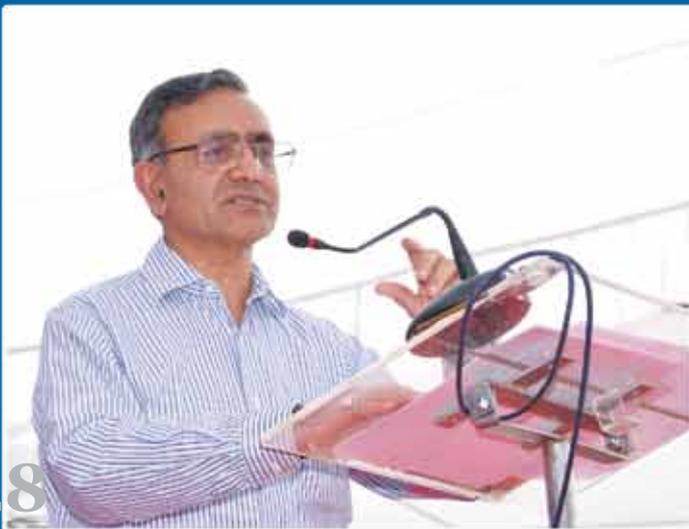

The College has an air-conditioned conference room that can accommodate over 100 people. The fully computerized library houses a comprehensive collection of over 26,000 volumes covering all the discipline courses offered by the college. The college also subscribes to several reputed journals and periodicals. The services provided by INFLIB-NET and DU library system help provide access to hundreds of journals.

A hygienic canteen offering food at reasonable rates, a shop that stores all kinds of stationary for students, the Girls' Common Room, the space for indoor and outdoor games are amongst the various spaces always eagerly sought after by students!

# VISITORS @ ANDC

The college has been honored to host a galaxy of leaders of various fields. To name a few – Professor Allen Warren (Natural History Museum, London), Dr. H. Phillip Stahl (NASA, USA), Dr Manda Clair (Western New Mexico University), Prof. Sudhir Sopory (JNU), Richard Stallman (Free Software Foundation), Professor Yash Pal, Davendra Jhajharia (Padma Shri and

Arjuna Awardee), Ms. Shiela Dixit, Ms. Kiran Bedi, come to mind. The visitors, while expressing appreciation for the giant strides the College has been continuously taking in all fields of excellence have felt very happy to be among the students and staff of the college, who in turn have felt inspired to excel.

## RECOGNITIONS GALORE @ ANDC

The Award of Good Practices by University of Delhi in both the years (2013 & 2014), since the inception of the award and the OPAL award of the Open Educational Quality Initiative at Berlin (2011) by a consortium which includes UNESCO, ICDE, EFQUEL and several European Universities have both recognized the College for the quality of education we provide.

Four teachers of the College have been recognized by the University for Teaching Excellence – 3 in 2009 and one in 2014. Another four teachers have been awarded the Meritorious Teacher awards by the Directorate of Higher Education (2011-2014). Our faculty stands out also when they win awards for their books or are invited to be editors of journals.

Not only faculty, even students too have brought us laurels. We have the only DHE Young Scientist awardee among students in DU, a student essay award winner and participant at the Environment summit held in Copenhagen and another student who

received a healthy cash prize from Chief Minister of Delhi for her live model under the auspices of the Eco club.

These students were formally recognized. However, we take greater pride in what our students achieve after they leave college – the alumnus of ANDC have spread far and wide specially in the best institutions of higher education in the country and outside viz., DU, IGIB, IISc, TIFR, NBRC, IIT's, NPL, CCMB, TISS, IIM, ICGEB, IISERs, JNU, NCBS, AIIMS, University of Hyderabad, PGIMER, BHU, MKU, MDU, IARI, Jamia Hamdard University, Jamia Milia Islamia University, TERI, IP University, Punjab University, Guru Nanak Dev University, University of Pune, Christ College Bangalore (MBA), XLRI, NUS (Singapore), ICFAI, ICWAI, IMT, Columbia University (USA), etc. It is reassuring to see a familiar face or two on any visit to the best research centres in the country. It gives us confidence that we are doing well.

## PLACEMENTS @ ANDC

An important component of education is to teach how to make a living. The research exposure and type of courses at our College inspires majority of students to take higher studies after graduation. There are only a few who want to start their career at an early stage. The College helps such students to find suitable jobs by organizing placement drives. Reputed companies such

as Genpact, HDFC Life Insurance Company Ltd., WIPRO WiSTA and WASE, IBM, Libsys, TCS and many others recruit students every year from our campus. Last year, around 60 students got job offers in campus placement drive. The College placement cell also acts in conjunction with Central placement cell of University of Delhi.

# Reaching out @ ANDC

We realize it is important to inform and share information about the college. We needed a website that was not dependent on any vendor for updating. We used the open source content management system DRUPAL platform for the college website (<http://andcollege.du.ac.in>). The website development, theme design, content customization, optimization and data entry has all been done by a group of students of the college and it is updated regularly in-house. What else could be better considering the college's commitment to open source and student empowerment? This offers a 'no cost' solution that allows and ensures a lot of learning for the students! This also ensures change in the content as often as we like.

Considering the importance of social media we also use the Facebook forum for

keeping in touch with the youth – <https://www.facebook.com/andcollege1992>. It is also updated frequently. The ANDC page on the Wikipedia also informs about the college : [http://en.wikipedia.org/wiki/Acharya\\_Narendra\\_Dev\\_College](http://en.wikipedia.org/wiki/Acharya_Narendra_Dev_College)

During Admission time we also have a very active dedicated admission help line number: 011-26287479 that receives and answers queries related to admissions. The college also entertains online queries at a dedicated email ID that is attended to through the day everyday during admission time. For any admission related queries candidates do write to us at: [admissions@andc.du.ac.in](mailto:admissions@andc.du.ac.in). The help desk is also set up in college where faculty members attend to enquiries related to admissions – this functions right from the day that the DU forms are available till admissions are completed.

The screenshot shows the Wikipedia article for Acharya Narendra Dev College. The page includes a navigation bar with 'Article' and 'Talk' tabs, and a search bar. The main content area features a warning box about citations, a detailed description of the college, and a table of contents. A sidebar on the left contains navigation links, and a right sidebar contains a logo and a table of key facts.

## Acharya Narendra Dev College

From Wikipedia, the free encyclopedia

This article **needs additional citations for verification**. Please help improve this article by adding citations to reliable sources. Unsourced material may be challenged and removed. (February 2011)

**Acharya Narendra Dev College** is a constituent college of University of Delhi situated in Govindpuri (Kalkaji), Delhi. Established in 1991, the college has a unique distinction of being the only college in the University of Delhi that is primarily for science. Though a young college, Acharya was listed among the ten best colleges in Science in the *India Today* survey in 2010.<sup>[1]</sup> Acharya operates under the aegis of, and is fully funded by, the government of Delhi. It is named after the great educationist and reformist of modern India, Acharya Narendra Dev.

# Admissions 2014 @ ANDC

## Courses Offered

Undergraduate Course (Based on Discipline I)	Number of Seats	Gen	SC	ST	OBC
Bachelors with Honours in Biomedical Science	46	23	07	04	12
Bachelors with Honours in Botany	55	28	08	04	15
Bachelors with Honours in Chemistry	60	30	09	05	16
Bachelors with Honours in Physics	72	36	11	05	20
Bachelors with Honours in Zoology	55	28	08	04	15
Bachelors with Honours in Mathematics	70	35	11	05	19
Bachelors with Honours in Commerce	100	51	15	07	27
B. Tech. Computer Science	60	30	09	05	16
B. Tech. Electronics	45	23	07	03	12
POSTGRADUATE COURSES					
M. Sc. (Chemistry)	31	16	05	02	08
M. Sc. (Mathematics)	31	16	05	02	08
FOREIGN LANGUAGES*					
(A) CERTIFICATE COURSES					
French	62	31	09	05	17
German	62	31	09	05	17
Spanish	62	31	09	05	17
Russian	20	10	3	2	5
(B) DIPLOMA COURSES					
French	31	16	05	02	08
German	31	16	05	02	08
Spanish	31	16	05	02	08

Note: \* These courses are self-financed. The Information brochure and the application forms for the Foreign Language Courses will be available in the College from 24th June, 2014 to 11th July, 2014.

3% seats of total intake are available (supernumerary) for PwD as per University of Delhi rules.

The College offers DC-II in all courses where we are offering DC-I course. In addition, we also offer DC-II course of Bachelors with Honours in Management Studies.

Admission to M.Sc. courses is done through a centralized procedure by the University of Delhi.

## Admission Guidelines

- All the candidates interested in seeking admission in undergraduate courses in Delhi University are required to fill the pre-admission form either online or offline for all categories. **There will be no pre-admission form at the college level.**
- Admission to the four year Undergraduate degree course shall be based on Discipline-I (Major Discipline).
- Admission for all categories – General, OBC, SC, ST and PwD – will be carried out by the College and the cut-offs for all categories will be announced simultaneously.
- Admission to the General category seats will be strictly in the order of merit including SC/ST/OBC/PwD candidates.

## Admission Procedure

- Fill online/offline form.
- The University will notify the cut-off marks through print and electronic media as per schedule. The cut-offs will also be displayed on the University website (<http://du.ac.in>), the College website (<http://andcollege.du.ac.in/>) and the College notice board.
- The College will admit all students who have marks that meet the announced cut-off criteria, as per schedule. **There is no first-come-first serve policy.**
- After the declaration of the cut-off lists by the University, the student will need to report to the College for admission within the scheduled dates with complete documents.
- At this stage, the student would be required to fill the College admission

form and the University enrolment form.

- **At the time of admission the students must be accompanied by their parent/guardian.**
- Along with the application form, students will have to submit the original certificates and a set of self-attested copies of each of the following:
  - a. Original Certificate of last qualifying examination (Class XII) issued by the Board or the University and Provisional School/College leaving Certificate in case original has not been issued.
  - b. Marks sheet of the last qualifying examination (Class XII) passed.
  - c. Class X Marks sheet.
  - d. Class X Board Examination Certificate.
  - e. Character Certificate (recent) of School/College last attended.
  - f. Documentary evidence of having studied Hindi till class VIII, if the student has not studied Hindi in Class X. Those students who do not have Hindi pass certificate should give a written undertaking that they will clear the required paper in Hindi in order to receive the graduation degree.
  - g. Two recent passport size self-attested photographs.
  - h. SC/ST Certificate (**in the name of the candidate**), issued by the competent authority – for SC/ST candidates.
  - i. OBC (Non-Creamy Layer) Certificate (**in the name of the candidate**) – for OBC

candidates. The certificate should have been issued by the competent authority in/after December 2013.

- j. Transfer certificate from school /college as well as migration certificate from Board/ University are required from those students who have passed Senior Secondary School from outside Delhi.

- Admission shall be subject to verification of the certificates. The College retains the right to seek authentication from the concerned authorities issuing the certificates.

- In case a student cancels his/ her admission in the College in order to move to another College on

declaration of subsequent cut off lists or needs certificates for institutions outside Delhi University, the College will promptly return the documents to the student, on providing proper documentary evidence.

- No student will be allowed to take admission in two courses/ colleges simultaneously. In case, they are found to have done so, both admissions shall be cancelled.

- For admission under the Sports and ECA (Extra-Curricular Activities) categories, the students need to fill Sports/ ECA application forms, available in the College. The admission to these categories shall be on the basis of guidelines issued by the University.

**Please note that if any false attestation / falsified records are detected, the students will be debarred from any course in the University or its college(s) for the next five years and in addition, a criminal case under relevant sections of IPC (viz. 470, 471, 474 IPC etc.) will be instituted against him/her.**

In case the student is already enrolled in the University of Delhi, the University Enrolment Number should be mentioned in the college's admission form.

## Eligibility Criteria

There is no minimum age bar for admission to Under-Graduate courses and Post-Graduate courses in the University and its colleges. Selection in various courses offered by the College will be done on the basis of marks

secured in the class XII Examination of the CBSE or an equivalent Board. The applicant should take into account both theory and practical (where relevant) marks while submitting their aggregate percentage.

**Subjects to be included for basis of selection (PCM, PCB/Bt) must have at least 70% component of theory (theory does not include internal assessment/ continuous evaluation etc.) in the qualifying exam otherwise a disadvantage of 10% of maximum marks shall be levied on each subject.**

### For Calculation of Best of four percentage:

- i. If a candidate has not studied the subject in which he/she is seeking admission in the Discipline I, then a disadvantage of 2% shall be imposed on the calculated Best of Four percentage.
- ii. The Colleges will consider only the academic/elective subject for calculation of Best of Four percentage if the candidate has studied at least four academic/elective subjects or one language and three academic/elective subjects.
- iii. In case a candidate has not studied three academic/elective subjects, then a disadvantage of 10% of the maximum marks may be levied on each such non-elective subject(s) to be included for the calculation of Best of Four percentage.
- iv. In case a candidate has studied three academic/elective subjects but wishes to include the percentage of non-elective subjects for the calculation of Best of Four, then a disadvantage of 10% of the maximum marks may be levied on each such non-elective subject(s) to be included for the calculation of Best of Four percentage.
- v. All the academic subjects should have 70% component of theory exams (theory exam does not include internal assessment/ continuous evaluation etc.). Otherwise these will be considered as non-elective subject.
- vi. In case a candidate has studied both

elective and core in any language, then core language will be treated as language, while elective language can be considered as academic/elective subject.

### Minimum Eligibility Conditions

These are set by the University for admission to the respective courses.

#### A. General Category

##### *Bachelors with Honours in Biomedical Science*

55 % aggregate in Physics, Chemistry and Biology/ Biotechnology (PCB/Bt) subjects in the Senior Secondary Exam (12th class).

At least 50% marks in English (compulsory)

Students having PCB/Bt with Mathematics (at least 60% marks) will be given an advantage of 3% over and above their PCB/Bt aggregate.

##### *Bachelors with Honours in Botany and Zoology*

An aggregate of at least 55% marks in Physics, Chemistry and Biology/ Biotechnology (PCB/Bt).

At least 50% marks in English (compulsory subject).

##### *Bachelors with Honours in Chemistry and Physics*

An aggregate of at least 55% marks in Physics, Chemistry and Mathematics (PCM).

At least 50% marks in English (compulsory subject).

For calculation of 'Best of Four' subjects percentage:

- A. One Language ( Core/Elective/Functional)
- B. Subject in which admission is sought (Discipline I)
- C. Any two other academic/elective subjects

### ***Bachelors with Honours in Mathematics***

At least 50% marks in Mathematics (compulsory subject).

At least 45% marks in the qualifying examination.

Merit shall be determined on the basis of one Language, Mathematics under academic stream and two best elective subjects.

### ***Bachelors with Honours in Commerce***

- An aggregate of at least 45% marks in the qualifying examination. The merit shall be determined on the basis of one language and three best electives (1L + 3E).
- 2% is reduced from the aggregate obtained by students of Science and Humanities streams.

1L + 3E indicate the aggregate of one language and three Electives from among the list of Academic/Elective subjects offered by Delhi University.

**Accountancy will be treated as equivalent to Commerce wherever any board is not offering commerce as a subject.**

### ***B. Tech. Electronics***

An aggregate of at least 55% marks in Physics, Chemistry and Mathematics (PCM).

At least 50% marks in English (compulsory subject).

### ***B. Tech. Computer Science***

An aggregate of at least 55 % marks in four subjects including Mathematics, one language and two other subjects listed as academic subjects.

Should have scored 60% or more marks in Mathematics.

Students who have studied Physics and Chemistry/Computer Science will be given 5% additional weightage.

### **B. Admission of Other Backward Classes (OBC) students**

Twenty seven per cent seats in each course will be reserved for the OBC candidates who belong to the 'Non-Creamy Layer' and whose castes appear in the Central List ([www.ncbc.nic.in](http://www.ncbc.nic.in)). The non-creamy layer is identified by the **Gross Annual Income below INR 6 lakhs**. Students have to produce an original OBC certificate in their own name that states they are not from the creamy layer (socially advantaged persons). The certificate should have been **issued in/ after December 2013**.

The OBC candidates shall be given a relaxation in the minimum eligibility in the qualifying examination to the extent of 10% of the minimum eligibility marks prescribed for the General category candidates. For example, if the minimum eligibility for admission to course is 50% for the General category candidates, the minimum eligibility for the OBC would be 45% (i.e. 10% less of 50%).

All those OBC candidates who meet the minimum eligibility marks in the qualifying examination shall be eligible for admission in the order of their merit, keeping in view the availability of seats reserved for them.

The seats reserved for the OBCs shall be filled with the OBC candidates only. Only if OBC candidates possessing the minimum eligibility marks are not available in the OBC category on the last date of admission date then the vacant OBC seats shall be filled up by other eligible candidate.

### C. Scheduled Caste / Tribe candidates

As per University rules 15 % seats are reserved for Scheduled Castes and 7 ½ % for Scheduled Tribes Students (interchangeable, if necessary). The college shall announce separate cut off marks for these categories.

Relaxation in the minimum eligibility in the qualifying examination to the extent of 5% shall be given to SC/ST candidates. In case, after giving 5% relaxation, the reserved seats still remain vacant, further relaxation shall be given to the extent required in order to fill up all the reserved seats.

**SC/ST/OBC students who get admission under open merit will not be included in the reserved quota meant for them.**

### D. Persons with Disabilities (PwD)

3% seats are reserved for Persons with Disabilities (PwD) candidates. The PwD candidates with not less than 40% disability shall be given a relaxation in the minimum eligibility in the qualifying examination to the extent of 5%. The cut-off lists will be put-up by colleges.

evidence of having participated in the concerned activity during the last three years. Weightage will be given to the certificates of winners/ participants at International, National, State, Zonal and School level and trials as follows:

	Sports	ECA
Certificates	50%	25%
Trials	50%	75%

### E. Admission on the Basis of Sports and Extracurricular Distinctions

1. As per University rules, up to 5% of the total number of seats will be offered for admission on the basis of sports and co-curricular distinctions for admission to the 1st year of any course.
2. Candidates seeking admission on the basis of extracurricular activities (ECA) are required to fill the Sports/ECA application form, giving details of the activities at the school level on a plain paper along with photocopies of relevant certificates and testimonials. These forms will be available in the College from 2nd June, 2014. Last date of submission of forms is 16th June, 2014.
3. Candidates seeking admission under sports/ECA category must submit any participation/winning certificate, as

4. Candidates desirous of gaining admission to the undergraduate courses in the College on the basis of sports quota have to satisfy conditions and rules laid down by University of Delhi.
5. The candidates who have participated in International level will be given direct admission.
6. The list of the candidates short-listed for trials for Sports/ECA along with the dates will be displayed on the College notice board and website on 30th June, 2014. Trials for the same will be held on 10th July, 2014. Selected candidates will have to take admission and pay fees within three days.
7. Candidates who get admitted under Sports/ ECA category have to sign an undertaking/ affidavit that they will represent the college when asked to do so throughout their stay in the college.

## F. Gap year students

Students who have had a gap in their education must bring in original admission slips, admit cards etc. for any examination taken or certificates of courses attended in the gap period to be able to gain admission to the undergraduate course for which they qualify.

## G. Other Special Categories

Admission for the undermentioned categories is centralized. The concerned students should have got themselves

registered in the University. The University allots the colleges to the applicants and forwards the list. The college admits students as per the list. For further details please refer University website ([www.du.ac.in](http://www.du.ac.in)).

- (i) **Children /Widows of the Officers and Men of the Armed Forces including Para-Military Personnel, Killed/Disabled in action or on duty, Gallantry Awardees.**
- (ii) **Wards of Kashmiri Migrants**
- (iii) **Foreign Students**

## Basis of Selection

Selection would be on the basis of marks secured in the Senior Secondary School Examination of the CBSE or an equivalent Board. The College will declare cut offs

on the dates mentioned in the schedule. The last cut-off percentage of marks at which admissions were closed in 2013, for different courses was as follows\*:

S. No.	Bachelors with Honours in	General (%)	OBC (%)	SC (%)	ST (%)	PwD (%)
1	Commerce	88.5 for Commerce 93.5 for Humanities and Science	75.5 for Commerce 80.5 for Humanities and Science	70 for Commerce 75 for Humanities and Science	45 for Commerce 50 for Humanities and Science	All eligible candidates
2	Mathematics	86.5 (M+2E+1L)	81 (M+2E+1L)	70 (M+2E+1L)	40 (M+2E+1L)	All eligible candidates
3	Physics	86 (PCM)	79.66 (PCM)	67 (PCM)	40 (PCM)	53 (PCM)
4	Chemistry	85 (PCM)	78 (PCM)	62 (PCM)	40 (PCM)	54 (PCM)
5	Botany	73.3 (PCB/Bt)	64.67 (PCB/Bt)	62 (PCB/Bt)	50 (PCB/Bt)	All eligible candidates
6	Zoology	79.67 (PCB/Bt)	70.66 (PCB/Bt)	64 (PCB/Bt)	59 (PCB/Bt)	All eligible candidates
7	Biomedical Science*	89.66 (PCB/Bt)	80 (PCB/Bt)	79 (PCB/Bt)	59 (PCB/Bt)	All eligible candidates

S. No.	Course	General (%)	OBC (%)	SC (%)	ST (%)	PwD (%)
8	B. Tech Computer Science	93 PCM/ Cs  98 for Others (M+2E+1L)	86 PCM/ Cs  91 for Others (M+2E+1L)	78 PCM/ Cs  83 for Others (M+2E+1L)	60 PCM/ Cs  65 for Others (M+2E+1L)	75 PCM/ Cs  80 for Others (M+2E+1L)
9	B. Tech Electronics	93 (PCM)	87 (PCM)	82 (PCM)	65 (PCM)	70 (PCM)

\*The percentages are indicative of trends and change from year to year.

- M+3E + 1L indicates Mathematics, three electives and one Language.
- PCM indicates the aggregate of Physics, Chemistry and Mathematics.
- PMC/Cs indicates the aggregate of Physics, Mathematics and Chemistry/ Computer Science.
- PCB/Bt indicates the aggregate Physics, Chemistry and Biology/ Biotechnology.
- For details of courses, applicants are advised to check the University of Delhi website (<http://du.ac.in>) or the College website (<http://andcollege.du.ac.in>)

## Fee Structure

Course wise fees to be paid at time of admission in cash (INR) for the Academic Year 2014-15 is as follows:

*This fee includes Caution Money and Library Security of INR 1000 each (refundable)\*.*

Undergraduate Courses	Admission Fees (INR)		
	General/OBC	SC/ST	PwD**
Bachelors with Honours in Biomedical Science	8650	5973	2355
Bachelors with Honours in Botany	7650	5473	2355
Bachelors with Honours in Chemistry	7650	5473	2355
Bachelors with Honours in Mathematics	7650	5473	2355
Bachelors with Honours in Physics	7650	5473	2355
Bachelors with Honours in Zoology	7650	5473	2355
Bachelors with Honours in Commerce	7650	5473	2355
B. Tech Computer Science	7650	5473	2355
B. Tech Electronics	7650	5473	2355
<b>POSTGRADUATE COURSES</b>			
M.Sc. Chemistry	7486	5459	1355
M.Sc. Mathematics	7486	5459	1355

\*For refund of Caution Money and Library Security, the student is required to submit clearance within one year of leaving the College. If no claim is made within this period, this money shall be deemed to have been donated to the SAF.

\*\*The PwD students shall be exempted from payment of all fees, except fees for admission, Students' Council, Identity Card, caution money, library security and Student Aid Fund (SAF).

Foreign students have to pay INR 6500 extra in addition to the above fees for the respective courses. Further details will be available to students selected under this category, with the Foreign Students Registry at the University.

Details about the fee structure for **Foreign Language courses** are given in the Foreign Language Prospectus, which will be available in College w.e.f. 24th June, 2014 to 11th July, 2014.

*The fees mentioned is subject to change as per University guidelines. Examination fees (at the rate decided by the University) is to be paid along with the Admission Fee at the time of admission. The amount will be displayed on the College website.*

## Cancellation and Withdrawal of Admission

Cancellation of admission and refund of fee (for UG courses) would be as per the following rules:

	Reasons for seeking refund	*Quantum of fee to be refunded
(a)	When a student applies for withdrawal of admission before the last date of admission.	Full fee after deduction of INR 250 + SAF Fee.
(b)	When a student applies for withdrawal of admission after the last date of admission and on or before 31st July, of the year of admission	Full fee after deduction of INR 500 + SAF Fee + I Card Fee.
(c)	When a student applies for withdrawal of admission after 31st July and on or before 16th August of the year of admission	Full fee after deduction of INR 1000 + SAF Fee + I Card Fee.

# General Rules @ ANDC

## GENERAL RULES @ ANDC

Abbreviated extracts from the University of Delhi Ordinances are mentioned below. For details of the Ordinances XV - B, XV - C and XV - D of the University of

Delhi, the candidate is advised to consult the University of Delhi website (<http://www.du.ac.in>) or the University of Delhi calendar.

## ACTS OF GROSS INDISCIPLINE

### Ordinances XV – B: Maintenance of discipline

Students of the College are expected to behave responsibly both inside and outside the College. Ragging in any form anywhere is strictly prohibited and is punishable under Ordinance XV - B and XV - C of the University, besides an FIR being lodged against them. Disciplinary action would be taken against:

- Any practice — whether verbal or otherwise-derogatory to women;
- Causing disruption in any manner in the academic functioning of the University system;
- Wilful destruction of institutional property;
- Creating ill-will or intolerance on religious or communal grounds;
- Violation of status, dignity and honour of students belonging to scheduled castes and tribes, other backward classes or any community;
- Any attempt at bribing or corruption in any manner;
- Physical assault or threat to use physical force against any member of the College fraternity;
- Carrying of, use of or threat to use of any weapon;
- Any violation of the provisions of the Civil Rights Protection Act, 1976.

- Any violation of Ordinance XV- D against Sexual Harassment.
- Any violation of Ordinance XV-C against Ragging.

Besides, strict action will be invited for acts such as:

- Boisterous behaviour in the College premises.
- Smoking and consumption of alcohol in the College premises or being found in an inebriated state.
- Use of mobile phones in classrooms, laboratories, library and any other restricted area.

### Prohibition of and Punishment for Ragging

We believe that academic institutions are places of enlightenment and enjoyment. While we appreciate interaction among students, our College is absolutely intolerant towards ragging. Any incident that is reported is severely dealt with by the Proctorial Committee of the College in accordance with the rules of the University of Delhi mentioned in Ordinance XV-C.

### ORDINANCE XV-C (abridged)

Ragging in any form is strictly prohibited within the premises of the College, at any place in Delhi University system as well as on public transport. Ragging involves

acts by which dominant power or status of senior students is brought to bear on students freshly enrolled or on students considered junior or inferior by other students and includes individual/collective acts or practices which: (a) involve physical assault or threat or use of physical force, (b) violate the status, dignity and honour of students, (c) violate the status, dignity and honour of students belonging to the

## IDENTITY CARD

Identity card detailing name, address and phone number is issued to each student immediately after admission. It is mandatory to carry the identity card to College every day since entry to the College as well as the library is based on it. Failure to produce the identity card is liable to attract disciplinary action. Loss of identity card has to be reported to the College

## USE OF MOBILE PHONE

Students are advised to use their mobile phones responsibly. Mobile phones should be kept on the silent mode within College premises. Use of cell phone is strictly prohibited inside the classroom, laboratory, library, Administrative and Accounts Block and near the Principal's office. Listening to music or playing songs on loud speaker-

## NOTICE BOARDS

Notice boards of the College display important information regarding schedule of classes, examinations, attendance, holidays, activities, fellowships, scholarships etc. It is imperative that students read

## CONTACT INFORMATION

Any change in residential (Permanent/Local) address or/and phone number should be informed to the office immediately, in writing, duly signed by the parent/guardian.

SC & ST, (d) expose students to ridicule and contempt and affect their self-esteem and (e) entail verbal abuse and aggression, indecent gestures and obscene behavior. The Principal shall take immediate action on any information regarding the occurrence of ragging. The punishment ranges from rustication, expulsion, cancellation of examination to withdrawal of degree awarded.

along with a copy of FIR (First Information Report) lodged with the police. Identity card remains the College property and has to be produced/ submitted on demand by any of the College staff or the security staff. A duplicate identity card shall then be issued on payment of INR 150/- on first instance and INR 500/- on subsequent instances, which includes Identity Card fee and fine.

mode of cell phones is strictly banned within the College premises.

Defaulters are liable for punishment which may be a fine up-to-the cost of the cellphone and/or reformatory task and/or confiscation of cellphone. Repeated offence will be treated as a gross in-disciplinary act.

the Notice Boards regularly to keep themselves updated about various events in the College. Ignorance of any notice will not be accepted as a plea or excuse for noncompliance or delay in any matter.

The College will not be responsible for any papers that reach the wrong address in case of non-intimation.
