### About the College

Acharya Narendra Dev College, a constituent college of University of Delhi and funded by Delhi Administration has come a long way since its inception in 1991. The College epitomizes to a great extent what Acharya Narendra Deva, a visionary educationist and reformist of modern India stood for. Developing healthy respect for oneself as well as for the society, inculcating scientific outlook and deep rooted humanism are the guidelines that are built into the bulwark of the institution.

The College is today crowned with significant achievements that have resulted in it being listed amongst the top 10 Science colleges in Delhi by the India Today Survey since 2010.
