## ABOUT THE COLLEGE

Acharya Narendra Dev College was established in 1991 as a constituent college of University of Delhi and is fully funded by Government of NCT, Delhi. Over the years, the college has acquired repute for the quality of education imparted to the students, the discipline and dedication of the faculty, the exposure and opportunities available for overall development of both faculty and students and the sense of social responsibility within its walls..

## FROM THE PRINCIPAL'S DESK

"Students are taught not just facts they are exposed to attitudes and approaches that teach them to think independently, the effort is to nurture them to autonomous learners"

*Dr. Savitri Singh*

The College epitomizes to a great extent what Acharya Narendra Dev, a visionary educationist and reformist of modern India stood for.

Developing healthy respect for oneself as well as for the society, inculcating scientific outlook and deep rooted humanism are the guidelines that are built into the bulwark of the institution. With 'Asato Maa Sadgamaya' (Lead us from unreality to reality) as its motto, Acharya Narendra Dev College has been striving relentlessly towards turning its aspirations into reality.

## OUR VISION

The College is today crowned with significant achievements that have resulted in it being listed amongst the top 10 Science colleges in Delhi by the India Today Survey since 2010.

ANDC has worked with zest and zeal to achieve all this in the last 27 years of its existence and it shall continue to strive for more and soar higher and higher. The path has been traversed over the years - by so many students, teachers, non-teaching and administrative staff - and the quest continues...  
.....Simply put when one believes in the best there is no finish line but only successive goals to attain.....
