FROM PRINCIPAL'S DESK

I, on behalf of Acharya Narendra Dev College welcome you all to the world where education makes a difference by allowing you to spread your wings and go beyond the classroom.

Acharya Narendra Dev College for over 30 years old has helped unfold the enormous potentialities of the students and empower them to meet the challenges of the future.

Within this short span of journey, we have carved a niche of our own and ANDC is considered as one of the top colleges in India.

Our pedagogy is student centric. The College provide ample opportunities for students to excel in both academics and co-curricular activities like theatre, sports and NSS.

Make best use of these opportunities and empower yourself to face the future with confidence.

All the best for your bright future !

ABOUT US

- Acharya Narendra Dev College is a constituent college of University of Delhi situated in Govindpuri (Kalkaji), Delhi.
- Established in 1991, it has a unique distinction of being primarily the science college in the University of Delhi.
- Three flagship schemes namely DBT star College scheme, Paramarsh and Unnat Bharat Abhiyan successfully running in the college.
- The college has implemented the decision of the Governing Body by investing Rs. 2 crores from the College Development Fund and use the interest earned to promote research and innovation in the College.
- ANDC placement cell has worked hard and invited various prestigious companies to the college to provide bright opportunities to the students. During the placement drives, 68 students were successfully placed.
