FROM PRINCIPAL'S DESK

“Education is the most powerful weapon which you can use to change the world.”

-
Nelson Mandela

At the very outset I, on behalf of Acharya Narendra Dev College welcome you all to the world where education makes a difference and where education doesn't mean studying in the classroom but allows you to spread your wings and go beyond the classroom.. Our pedagogy is student centric. The College provide ample opportunities for students to excel in both academics and co-curricular activities like theatre, sports and NSS.

Other facilities in the college include a women's development cell, excursions (EXPLORE), business incubator, etc.

Make best use of these opportunities and empower yourself to face the future with confidence. I wish great success to each one of you and promise to provide the best environment for your academic journey towards excellence.

• The Career Counselling & Placement Cell provides registration forms, which every year the final year student fills to avail the placement services of the cell.

• The Career Counselling & Placement Cell is truly a platform “of the students, by the students and for the students”. Every year, the Placement Committee has one student coordinator from each course. One of them is selected as the main student placement coordinator.

• The names, contact number and email ids of all these student coordinators are accessible to the final year students who register themselves with the Cell.

• These student coordinators are well versed about the needs of the students and act as connecting link between the Career Counselling & Placement Cell and eligible students of their course.

• Under the care of a dedicated Placement Officer, the Career Counselling & Placement Cell of the college has emerged as a professional entity establishing linkages with prospective employers, industry associations and other such placements cells of institutes in Delhi.
