6	2016-17	Dr Seema Gupta (Department of Chemistry)	Workshop on “ <b>Online Attendance and Internal Assessment, e-content hosting and online assessment, online leave applications and leave record</b> ”  Workshop for teachers for online Attendance and Internal Assessment, e-content hosting and online assessment, online leave applications and leave record was conducted on January 9, 2017 in three sessions to improve administrative services and Teaching-learning process through College Automation Software.	50	January 09, 2017	<a href="#">View</a>
7	2016-17	Dr. Arijit Chowdhuri (Department of Physics)  Dr Seema Gupta (Department of Chemistry)  Dr Sadanand Prasad and Dr Chaman Singh (Department of Mathematics)  Dr Vishal Dhingra (Department of Electronics)	Symposium on “ <b>Innovation Conclave – 2016: Nurturing research at the UG level</b> ” ( under the aegis of Silver Jubilee celebrations)  The college organized a two day Innovation Conclave (October 25-26, 2016) that offered a platform to the undergraduate student fraternity in the University of Delhi to showcase their research work.  The conclave proffered the students ample scope for interactive discussion on myriads of issues besides talks by distinguished scientists on frontier areas of Science and exposure to cutting-edge technology.  Some of the eminent luminaries that the College hosted over the two-day extravaganza included Professor J. P. Khurana (Pro- Vice Chancellor, University of Delhi), Professor K. Muralidhar (South Asian University), Professor Patrick Dasgupta, (Department of Physics, DU), Professor H. Bohidar (School of Nanoscience, JNU), Professor Ayub Khan (Department of Mathematics, JMI), Dr. Pramod Upadhyay (NII) and Dr. Kavita Mehra (Advisor, NAM S&T Centre). The Innovation Conclave saw 66 competitive poster presentations by undergraduate students from 15 different colleges of the University of Delhi. The contributions (39 from Physical Sciences and 27 from Life Sciences category) also had faculty from the parent Departments of Electronics, Botany, Environmental Science and Ambedkar Centre of Biomedical Research as co-authors pointing to the deep engagement of the students with research. Overall, the Conclave had the undergraduate students’ understanding that research was definitely a viable career option and a panacea to the ills plaguing the country in general.	66	October 25– 26, 2016	<a href="#">View</a>
8	2016-17	Dr Seema Gupta (Department of Chemistry)	Workshop on “ <b>Classroom Management Tools</b> ”  The internal members of IQAC held a workshop on September 16, 2016 with TCS expert on classroom management tools, upload assignments, question papers and development of applications that will add value to existing pedagogical transactions through ERP.	35	September 16, 2016	<a href="#">View</a>
